“ *Met Thomas back in the '80s. He was known for his beloved Nova's. I think I remember 3.*

Always very positive and cheerful. Worked with what he had, always. Got great performance from an unpopular engine/transmission combination. Not afraid to drive to Lake Charles, or Pensacola, or Gulfport. And then drive the wheels off his car! Whether it was an autocross or drag race event. Still remember the day he drove up and I noticed he was sitting on a packing blanket. He mentioned something about his cigarette lighter rolling under the seat while he was driving, several minutes later the car seat was on fire!

After the fire dept. put it out, he put the blanket on the seat frame and kept going!

We could all learn from his attitude. Thomas, we miss you!

“ *Tom was a long time friend and will be missed by all. Now he can go racing all day.*
