“ *While I did not know Tom very well, I was fortunate to forge strong bonds with some of his children and grandchildren. There can be no greater legacy in this world than having a hand in shaping loving children and grandchildren. Thanks for the blessing Tom; you will live on through your family and friends. “ *Tom was one of the nicest men I've ever worked with. He and I would frequently share news about our vegetable gardens. From now on, every time I harvest a tomato or a pepper from my garden, I will fondly remember Tom.*

I enjoyed working with Tom for many years at Montgomery Barnett. He will be sorely missed by all. I extend my deepest condolences to Tom's entire family.
