“ *Tom and I went to high school together and then he roadied and ran lights for my band Minotaur in the late seventies. We played a gig in Warner Robbins, GA and something went wrong on stage with a loud buzz. Tommy jumped over chairs and tables to get to the stage quickly and fix the problem. I couldn't believe how fast he got to the stage and told him "Tommy I thought for sure you were going to hit the floor running through all those tables to get to the stage", and he told me" I told you Jim, weebles wobble but they don't fall down!" I have many memories of Tommy Weaver, but that is one of my favorites! God bless you Tom Weaver! You sure were alot of fun to be with!!*

“ *The first time Romans Lee ate my food I was nervous. They enjoyed it and ate seconds. Both of them were speechless cause they yearned oh this girl can cook. I'll never forget the bragging they both did about that meal Roast and potatoes. They made me feel special. Thank u for that memory . You were a really special person. Thank you for everything.
My thoughts and prayers are with your family.

“ *"Help the bear" is what Chef Tom would tell me every time I asked him if he needed help. He would tell me "If you ever see me and a bear in a fight, then you best help the bear". Thank you Chef for believing in me. You will be missed. Michael McGuire*
