“ I don't know where the past year has gone. It has been one of the roughest years of my life. I love and miss you so much my baby. I have also gained strength and a toughness that I don't think I ever had. I'm retiring and moving away, but you will always be with me. You are in my heart and my head. Always and forever. I won't be posting any more my love. We both know why. Please know that I will never stop loving you or missing you. Our memories will be with me forever. You were the love of my life. Still are. Rest high on that mountain. One day we will be together again. Your loving wife. Sue

“ I am very sorry to hear about Tim's passing. It has been a long time since I have seen Tim. We made many, many, good memories together. Those memories will always be with me of the good times we shared, in my heart. Sue, I have been keeping you and your family in my prayers, and will continue to do so. I can still picture him sitting in his red Road Runner driving. I was very blessed to call Tim and Sue my friends.
