“ I will miss my childhood friend. I just learned of her passing today. I will never forget all of the fun & mischievous things we did. I ran into you at the store & we were supposed to get together, but unfortunately that didn't happen. I did get a chance to meet Kennedy when she worked at Rouses in Metairie by my home. I never had the chance to meet Cody. Carl I am so sorry for your loss & your kids loss. RIP Tracey Meeks Sellars

“ I will never forget all the times that we shared from the parties, parades, festivals and of course those fairs. You have been by my side through thick and thin, I couldn't ask for a better friend. I will miss you dearly my bestie & side kick, but I'm truly blessed and thankful that you chose me to be your ride or die chick. I know you're in heaven looking down, so I will keep my head high and try not to frown. I know one day we will meet again, rest in peace Tracey until then.

“ So many memories..... you were like the sister I never had in high school. Staying at my house for weeks at a time, riding around in my mama's Champaign pink Thunderbird when I first got my license, drinking strawberry Boones Farm and MILLER ponies (we thought we were so cool, lol), parades, and staying up talking all night. So many good times! It's just unfortunate we drifted apart over the years but I'm so thankful we reconnected at Lisa's daughter's wedding and that you got to meet my daughter Brooke (ya'll bonded immediately) and it was as if no time had ever lapsed. Praying for God's Comfort and peace for Carl and your family. Rest In Peace my beautiful friend.

“ Rest In Peace my Beautiful Friend. We shared so many great memories when we were in school. Then we did not see each other for awhile. But we made our way back to each other and we had the best conversations over the last few years. I am so glad we were all together again at my Daughter's wedding we had such a great time together. I Keep thinking of the last time we talked. I was walking my dog and you were trying to buy my daughter a baby shower gift. I wish I would have known that would be the last time I would hear your voice . You were always so kind and funny. You will definitely be remembered always. I pray for your sweet family Carl and your wonderful children. I love you and we will miss you always. Love you your, Friend forever Lisa
