I remember first meeting Barry and Brenda when I ran for Kenner Police Chief in 1990 when he hosted a neighborhood party for me. Linda and I developed a very special friendship and exchanged Christmas cards every year since that time. We would meet him and Brenda occasionally throughout the years. He always had that ever-present smile and endearing personality. Our heart and prayers go out to you and your family.

“ Our world lost a wonderful husband, father, grandfather, worker, friend, and neighbor. Barry was a beautiful person who touched many people's lives. He was so energetic and fun. He relished the opportunity to share his time and talents at home and in our community. His faith, belief, hope, and humility were admirable. What a terrible loss! Our condolences to Brenda, Heather, Brian, and all of his family and friends.

Our love to you and your family. The impact you have had with our family is greatly cherished. Our hearts, thoughts, and prayers are with you.

Love,
