“ Our family sends the Astugue Family our sincere condolences. Rusty and I warmly remember Tyronne for his kind and caring love he had toward his lifelong friends, children he coached and mentored while he was employed with the City of Kenner for over 20 years., but most of all his beautiful family. Brenda his sidekick and warrior was always by his side, such a true blessing. Ty and his family will always be in our hearts, thoughts and prayers. We love you all! The Long Family
