

Ulysse Paul Labat, Jr.

November 6, 1954 - April 20, 2025

Ulysse Paul Labat Jr, entered peacefully into heaven on Easter Sunday, April 20th, 2025, surrounded by his loving family at the age of 70, after battling the horrible disease of cancer.

Born on November 6th, 1954, in New Orleans, Louisiana. Ulysse was the loving Son of the late Ulysse Paul Labat, Sr. and Velma Dantin Labat.

He is the beloved husband of late Deborah Ann Boone Labat for 41 years, Father of Michelle Labat Hartz (Trey Boudreaux), Lori Labat Hutchinson (Doug Hutchinson) and Steven Labat (Crystal Labat); Grandpaw of Julius (Jay) Hartz, Gage Powell, Brooklyne Labat, Lynnzee Boudreaux, Karson Labat, Kason Labat, Scott Hutchinson and Huntley Hutchinson; his 4 legged children and His companion /partner Nancy Hamill.

He was preceded in death by his Brothers the late Jimmy Dominick, Michael Alen, and Sisters the late Doris Labat, Eva Labat, Yvonne Labat. He is also survived by other relatives, Wild Hog and HRider family and many other Biker family and friends.

He was a very strong man who never gave up; after the loss of his wife in 2014, to being involved in a very Bad motorcycle accident on mothers day in 2021, and being diagnosed with his illness in 2022 until the very end in 2025.

He was a dedicated BIKER for the WILD HOGS who he would enjoy spending time with and would live to go out for rides and enjoy the sunset. He was also an incredible Siding Installer of many other trades. If you ever needed a tool he had it (most likely more than 1). He was 1 man, with 2 arms (like most) but over 50 hammers.

He loved his Family and Friends dearly, and would do anything for anyone even with being sick.

He would do anything for one more Ride into the sunset.

Its Time to ride off into the wind and enjoy the vibrations of the motorcycle beneath you, as you are no longer be in pain.

They always say therapy is expensive but wind therapy is free. Just hop on your bike and go enjoy the ride till you no longer have any worries.

Ulysse is once again reunited with his Loving Wife Debbie, who he never got over losing.

The celebration of life will be held on June 28th, 2025 at The Kamp at 2317 Hickory Ave., Harahan, LA 70124, further details to follow.

“ I met Ulysse when I was 16 years old thru Gary Florane and CJ Harrison. They were his neighborhood friends growing up as kids. We spent many, many, many endless days together with Debbie and Ulysse working, partying and having fun. I lost contact within the years but caught up with him 2 years ago to put up an aluminum carport for me. We talked our heads off for a week while he worked, reminiscing on the good old days, laughing. Then long behold a terrible wind storm came and blow it down 10 days later! We couldn't believe it, and laughed even harder! I'm so happy we got to see each other one more time! FLY HIGH ULYSSE so glad I got to know you, what a nice man, and never said a bad word about anyone. Rest in Jesus promises, no more pain and tears. Love you ROSIE
