“ Heaven gained a soldier. Tori was brilliant and ambitious. She was a tough. To me, Tori let me understand what it's like to be a girl who likes outdoor/ boy considered activities. She helped me embrace and balance my tomboy/ adrenaline side with a Gwen Stefani attitude. Keeping a strong façade even in the mist of struggling, she tried endlessly to break a negative cycle. She was a good cousin, a good person. She loved. She was loved. She is missed.

“ You taught me how to always live life in the moment. To laugh and be crazy no matter what other will say or think. I'll forever remember all the times we had sleep overs and thought it was just the funniest thing in the world to prank call Kehoe- France School, and pretend we were each other's moms and try to enroll each other there... for absolutely no reason at all 🤪🤪🤪 they would get so pissed 🤡 Here's to you, and all the memories, good and bad, that I'll have for the rest of my time.

RIP  
-Randy Findle
