“ *Mrs. Gendusa spoke very little English when we would go over to their house to play with Michael when he was 10 yo. I use to laugh so much because I had no idea what she was yelling at us but I loved her accent when she was not happy with all of our noise we were making. They were great neighbors.*

“ *Meet Mrs. Gendusa and family 45 years ago. I'll never forget being 15 years old and in the kitchen rolling meatballs with all the women in the kitchen.*
