“ *Waitus was such a joy to work with. He was always happy and I can't remember day that he came to work and was ever in a bad mood. (Probably because he had the Love of his life at home).*

He was just the best co-worker and friend that a person could ever have.

From the time I started with AA and I met Waitus all I could say was I want to grow up one day and be just like him.

“ *Dubby,*

So sorry to hear of your father's passing. He was a wonderful man. I enjoyed his stories of the bayou and days gone by in south Louisiana. I have no doubt he is more alive now than ever in the presents of his Lord and Savior.

May God bless you and your family,

“ Dubby and Marc I am so sorry for the loss of your dad. Having lost my dad and my father-in-law last year I truly do understand the journey. Lean heavily on your friends and your faith to help get you through. Never be shy about your feelings. I'm sure there are many people who would consider it an honor to help you out. I and my family are here if y'all ever want to talk. We love y'all and are in our thoughts and prayers. God bless y'all as you travel down this path.

“ Dear uncle waitus...you were such an important part of my life and I will miss you. I loved your keen sense of simple common sense. I always keep “rudy's cabin”, the little cabin you made by hand, close to me and very dear to my heart! You'll never know how much I love that! Thank you for your love and support always!! Nannan...I wish I could be there right now just to hug on you and hold your hand! I send lots of love hugs and prayers to you, Dubby and Marc and the family. I'm trying to see if I can make it for the services this weekend but not looking like I will be able to.
