“ *To my Hull Family: I hope you all can find peace during this time. I am sorry for the loss of your father and grand-father. He was truly "one-of-a-kind". Whenever anyone would talk about Uncle Bill (this is how I always called him), the things I would remember the most was all of the stories he would tell me about the mess he and my Granny (Eugenie) would get into. And, how could I forget their biggest side-kick Uncle Andrew.? LOL I also remembered visiting "the shop" with Granny numerous times to get work done. There Uncle Bill and Warren Jr. would be. It has been way too many years since I have seen him, but I do think of him often. That is a GREAT picture of him. He definitely has given me many fond memories, even though they were long ago. R.I.P. Uncle Bill.*

With Love,
Your great-neice, Jessica Wilson Glaspell (Eugenie Hull's grand-daughter)
