“ Wayne was the plumber for Joe and Joan Friend at 1666 Soniat St until he retired. And he was always upbeat and positive in his work. I am sad to lose Wayne; my best to his family. Joe

“ My memory of Wayne Higgens is that his obituary was not very truthful. He cold bloodily murdered my brother. The day before the murder (there's video) he was riding his bicycle briskly down the side walk (I have video), then he shows up in court with an oxygen tank and wheel chair and lied about illnesses to deceive the very corrupt New Orleans court system. When I learned of this monsters death, it brought joy to my heart, to know he will forever rot in HELL. I curse all who supported this demon.
