“ Wayne was one of my best friends. We could go months without talking and continue like we talked yesterday. This man would do anything for anyone. Todd and I will miss his visits with all of the laughter. We love you and know you're having a great time with Terri. We will see you again! Love Todd & Mel

“ I have known Wayne for over four decades and he always was a kind, loving person. In our younger years, we were linked by Mardi Gras - first attending the parades, then riding in them. Then life got in the way and my job took me to Texas. In our later years, we reconnected on Facebook, and I am so thankful we did. I know Wayne was having an ongoing battle to regain his health, but I was still so surprised at the news. It saddened me greatly, but I know that he's happy now in heaven with Terri. I will miss you, my friend.

“ Wayne was my first cousin. We shared the same birthdate but not the same year. He always called on our birthday and kidded me that I was still a few years older than he. Growing up, we would get together at my Grandma Mascarellas house on many Sundays. He was sweet, funny, opinionated and creative and I will miss him dearly.

*Fond thoughts of Wayne, and all the Mascarellas. So many wonderful memories that I'm so thankful for...
So sorry Wayne left us so early and under these circumstances. May he rest in heavenly peace, as he joins his beloved wife and family that passed before him. Love and prayers being sent for for Tony, Kristy, Cory, Diana and precious Mason.*
