“ *Billy Bishop, a friend I will always remember. In just a short period of time Billy and I became the best of friends. He was a great person, he was kind hearted, full of life and an absolute pleasure to be in his presence. We talked about his past but he was focused on his present and his future along with his daughter Kaleigh. He set goals, he had a plan of action and was on the path of achievement. I am so sorry and saddened that he and I are not able to witness his accomplishments. I have much respect and love for him. Billy, you are and will be greatly missed!*

*Your friend.....Norman.*
