“ I loved Billy like a brother! One thing that we had the most in common was our love for music. We use to go to "Jimmy's" (uptown N.O) to see various punk/new wave bands (Psychedelic Furs). It was a wild/crazy night that I will never forget. Billy had one of the purest hearts of anybody that I've ever known. My condolences to his family.

Sincerely,

“ Billy was best friends with my ex-husband (Tommy Sims) a long time ago and we were going to name our child after him - but she was a girl. I have great, funny memories of him - Adam Ant, Motley Crue, etc. He had a kind heart and was a great person! My sympathies are with his family. I will be out of town and will not be able to attend his services.

*Sincerely,*
