“ *To all of the surviving family and friends(of who I remember as Poppa Bill)my thoughts and prayers go out to you. I will always remember Poppa Bill's laugh and his calm demeanor. I knew him longer than I knew my own father. I will carry the memory of him as he was such a respected and important part of my youth. I am a better person to have had him in my life. Rest in Peace Poppa Bill.*

“ June,
I am saddened to read of your dear father's passing. I think he and my dad may have bowled together at some point over the years. It is so hard to let them go and still we believe that they are with us yet. May your faith and God's mercy strengthen you at this sad time. Your classmate from SCS and ACHS ~Sr. Shirley Vaughn

MJ

Mr Bill was a great inspiration for our bowling team. He kicked our butts week after week, many years our younger. Always in good spirits, happy and trying to teach us things about bowling we may never understood. It was a short 5 years Mr. Bill on our team, we talked about everything under the sun, we laughed a lot, some things were out the box but he liked to share his thoughts, what ever they were. We just had fun and Mr. Bill to me was like a second Dad, loved him so!
