We had many many laughs as well as serious talks since then. So sad he's gone but know he's lighting up the heavens with his glowing smile and loving ways. He will be missed very much.*

“ *I have always considered Billy a friend. He was always there with that million dollar smile and quick wit and always the nicest guy in the room. He was a great athlete and I learned from simply being on his team. He led by example but was always willing to teach. Billy will be sorely missed. I am honored to have been able to call him a friend. RIP buddy.*

“ *Billy was such a great guy from when I met him at 13 or 14 years old. He was always laughing, smiling and funny. He was such a great athlete growing up and pound for pound was one of the best all round athletes I played with. Playing on the Rummel Tennis Team was not only a great time but he made it so much fun. I'll miss Billy Vogel, I count it a privilege in my life to have known him.*

What a lovely person, he was a real gentleman even when it wasn't popular to be. He always had a gentle way about him with a very dry humour and kind eyes and a smile that would leave any person feeling special. I knew him when we were children as a teenager and a young man and the world will miss him. God bless his children and family may they know He has left an indelible mark on many people you know and don't know.
